

## **Privacy Statement**

When you choose to invest with American Global Wealth Management, Inc., you not only entrust us with your investments, but also with your personal and financial data. Just as we're dedicated to servicing your account well, we're also committed to respecting your privacy and protecting the information you give to us. American Global Wealth Management, Inc. strives to protect you, the customer, by adhering to the following principles:

### **For Your Benefit**

To service your account and investments, we may collect the following nonpublic personal information about you:

- Information provided by you on account applications and other forms, such as your name, address, telephone number, and social security number,
- Information from your interactions with American Global Wealth Management, such as account inquiries by e-mail or telephone, or your entry of information into our interactive tools and on our website,
- Information about your transactions with us or others, such as your account number and balance, transaction history, cost basis information, and other financial information,
- Information that we receive from a consumer reporting agency to ensure the accuracy of account data or to assess creditworthiness.

### **Our Commitment**

We do not disclose any nonpublic personal information about you to nonaffiliated third parties except as permitted by law. To service your account and to effect transactions that you request or authorize, we may provide your nonpublic personal information to companies that perform administrative or marketing services on our behalf. We require these outside companies to protect the confidentiality of your information and to use the information only for the purpose for which the disclosure is made.

We restrict the access to your nonpublic personal information to our employees who need to know that information to provide products and services to you. Furthermore, we maintain physical, electronic and procedural safeguards to protect your nonpublic personal information.

We will continue to adhere to the privacy policy described in this notice even after your account is closed or becomes inactive.

AmericanGlobalWealth.com protects the integrity and privacy of your account information with the most advanced technologies available. Our systems use Internet data encryption technology, an advanced security protocol known as the Secured Sockets Layer (SSL) protocol, personalized passwords, and other precautions. To help protect the security of your accounts, do not share your password with anyone.

AmericanGlobalWealth.com will not collect personal identifying information about you except when you agree to provide it. AmericanGlobalWealth.com contains links to other websites. We are not responsible for the privacy practices or the content of these sites.
